

Master's Course Plan

Mechanical Engineering

The Graduate School at The Ohio State University specifies that at least 30 graduate credit hours are required for a Master's Degree. Please complete the information below and list the courses you plan to use to fulfill your degree requirements.

- The requirements below are only minimums. Advisors can require additional coursework beyond the minimum.
- Courses counted toward the coursework requirements must be letter graded (A-E).
- In order to count toward your degree courses, taken outside of Engineering, Natural and Mathematical Sciences, or Medicine must be approved by your advisor and the Graduate Studies Committee via a MAE program petition.
- Designate your math course with (M).
- Include any graduate courses transferred from other institutions and designate them with (T).
- Once your course plan has been completed and signed by your advisor, please submit it online at <http://go.osu.edu/mae-gsmn>.
